Instructions to the authors

The deadline for sending the manuscripts is: **November 1st, 2016**

The speakers have to use the following 2 files to prepare the written version of their talk under Latex: **v16nufact.tex** (containing the publisher's instruction), and **v16nufact.cls** (the style file). They can be downloaded as a [tar file](#). The result can be visualised on [v16nufact.pdf](#).

The speakers should send all files (.tex, figures and .pdf) possibly as a .tar.gz file - compressed tar - to [Jacques Dumarchez](#).

Page limit:

All **talks** are allocated a **6 pages** contribution.

Posters can send a **4 pages** contribution.
